One Page Profile at Work

What People Like & Admire About Me

- **My creativity, energy and fun!**
- **My ability to make confident and assured decisions from a solid basis**
- **I am client driven and motivated to get things moving forward**

What's Important to Me

- **Spending a significant amount of my time working face to face with service users**
- **Opportunities to share, discuss and reflect with people who 'get it'!**
- **Actually getting to know the people I work with and support before making decisions**
- **Having dedicated time to get admin tasks done**

How to Support Me

- If you can, call or teams me! I'm not avoiding you, I'm just not best over an email!
- Let me know when you need me to complete something by, I can stick to clear timeframes
- Share with me, I love to mull over and discuss things, it gives me the energy and keenness to get stuff done!
